

DWA_03.4 Knowledge Check_DWA3.1

1. Please show how you applied a Markdown File to a piece of your code.

> Markdown is primarily used for documentation and text formatting, and it doesn't execute code directly

```
Public class HelloWorld {  
    Public static void main (String[] args) {  
        system .out.println("Hello, World!");  
    }  
}
```

2. Please show how you applied JSDoc Comments to a piece of your code.

```
/**  
 *calculates the sum of two numbers  
 *  
 * @param {number} a - The first number
```

3. Please show how you applied the @ts-check annotation to a piece of your code.

```
Function add(a,b) {  
    Return a+b;  
}  
console.log(add(1,2))
```

4. As a BONUS, please show how you applied any other concept covered in the 'Documentation' module.
